Instructions:

1. For each day of Advent, read the assigned Scripture, place the designated item in the Tote Bag, then pray for the household that will receive this food. Please use pop-top cans when possible and do not put extra items in the bag.
2. Please place your completed Reverse Advent Tote Bag at the altar railing on Sunday, Dec. 29th OR make arrangements with Pastor Mamie to have your bag picked up from your home by calling or texting her at (910) 603-3014. If you will not be with us for worship on Dec. 29th, you can bring your completed bag with you on Christmas Eve and leave it in the Gathering Place.
3. We will bless the Reverse Advent Tote Bags in worship on Dec. 29th then they will be distributed through our Food Room in January.
4. Please purchase all of your food items at the same time (before Dec. 1st), please resist the temptation to place them all in the bag at once. The Reverse Advent Tote Bag is both a mission and a spiritual discipline!
